English

FRESHNESS, QUALITY, and ENJOYMENT

These have been top priorities at the DerMann bakery for over 165 years. Careful handling of ingredients and the preparation of high-quality food products have always been at the heart of what we do. For generations, our goal has been to offer our customers a truly personal moment of enjoyment through exquisite products and professional expertise.

To ensure consistently high quality across all our branches, each location is equipped with its own ovens, allowing us to bake our goods fresh on-site. Any items that cannot be prepared fresh on the premises are delivered oven-fresh several times a day. After all, there is no doubt about it: baked goods taste best straight from the oven—and you can certainly taste the difference!

For products (e.g., from the counter) that are not priced on the menu, we must charge a 10% service surcharge.

All Prices in Euro, inclusive tax.
